

SafeBridge Consultants, Inc. is pleased to offer a comprehensive two-day course in pharmaceutical potent compound safety with a focus on training EH&S and related professionals in critical technical concepts and proactive safety programs in the pharmaceutical, chemical and biotechnology industries. The **Potent Compound Safety “Boot Camp”[®]**, is an intensive blend of lectures, case studies, scenarios, individual and group exercises and video training. The next training course will be held on May 20-21, 2008.

Hyatt Regency Cambridge

575 Memorial Drive, Cambridge, MA 02139

Reservations: Phone (617)492-1234 or (800)233-1234

Group Code: ‘SafeBridge Boot Camp’

Your instructors are Board-certified health professionals in industrial hygiene and toxicology with many years of experience in the pharmaceutical industry. Course materials include a detailed 300+ page course syllabus, summary slides and numerous references. The presentations and materials cover pharmaceutical industrial hygiene, occupational toxicology, environmental toxicology, IH analytical chemistry, risk communication and elements of safety management. The American Board of Industrial Hygiene (ABIH) has approved the course for 2.0 Certification Maintenance Points.

What You’ll Learn:

- Industry experience of potent compound over exposure incidents
- How to evaluate compound potency and toxicity
- How EH&S elements fit into the drug development process
- How to establish targets for air and surface monitoring methods
- How sampling methods should be validated
- How to plan and conduct an air monitoring study
- Engineering controls that are available and effective for pharmaceutical and chemical manufacturing
- Factors leading to worker exposure
- A systematic approach to safely handling research compounds and “unknowns”
- How to investigate incidents and communicate risk effectively
- Implementing a safety management approach in your company
- Environmental aspects of new drug approvals
- Potent compound definitions
- And much more!

Who Should Attend:

- Pharmaceutical and chemical plant environmental health and safety professionals
- Pharmaceutical R&D safety coordinators
- Facility and process engineers
- Industrial hygienists
- Safety professionals
- Environmental engineers
- Pharmaceutical quality control and quality assurance personnel
- Plant managers

Deadline

SEATING IS LIMITED AND THIS COURSE USUALLY SELLS OUT! Therefore, we ask that you call or Email Susan Custer at susan.custer@safebridge.com FIRST to reserve a space before April 29, 2008. A registration form is attached for your use and consideration.

Registration Fee

The cost to attend this two-day course will be \$1,950. Additional attendees from the same company may register for \$1,700 each. The above cost includes Course Syllabus, Meals (Breakfast, Lunch and afternoon breaks) and Certificate of Completion. Payments may be made by check, invoice, Visa, MasterCard or American Express.

Cancellation and Substitution Policy

Your notice of cancellation must be received in writing (by letter, fax or Email) 10 working days before the training course. All cancellations will result in a cancellation charge of 50% of the registration fee. The balance of the registration fee will be returned if the cancellation notification is received 10 working days in advance of the course. No refund will be made if notification of cancellation is received beyond this time. The registration fee minus the cancellation charge may be applied to a similar training course if future course is held within 12 months of cancellation. We will be pleased to transfer your registration to another member of your company at any time. If you plan to send someone in your place, please notify us as soon as possible.

Hotel Reservations

If you require hotel reservations contact Hyatt Regency Cambridge, 575 Memorial Drive, Cambridge, MA 02139.
