

SafeBridge Consultants Announces Potent Compound Safety Training:

ADVANCED CONCEPTS COURSE: “BOOT CAMP II”

April 26, 2010

SafeBridge Consultants, Inc. is pleased to announce the following training course offering:

Advanced Concepts to Support Drug Development of Potent Compounds from R&D through Manufacturing

A one-day advanced course with a focus on case studies and problem-solving to address potent compound safety issues in discovery, development, contract manufacturing and commercialization utilizing the “systematic” approach and the implementation of a comprehensive program required to successfully support drug R&D and manufacturing organizations.

A suggested pre-requisite for the Advanced Concepts course is previous attendance at SafeBridge Potent Compound Safety “Boot Camp”[®] and/or significant experience in environmental health and safety applications in the pharmaceutical industry

Course Location: 3M Innovation Center
Building 278, 3M Center
2350 Minnehaha Avenue East
St. Paul, MN 55144-1000

Your instructors will be board-certified health professionals in industrial hygiene and toxicology with many years of experience in the pharmaceutical industry. The presentations and materials cover pharmaceutical industrial hygiene (IH), occupational toxicology, risk assessment and elements of safety management. The American Board of Industrial Hygiene (ABIH) has approved the “Boot Camp II” for 1.17 Certification Maintenance Point for the Advanced Concepts Course.

Registration Fees:

Advanced Concepts (Boot Camp II)	\$875 for the first attendee, and
One Time Special Rate	\$775 for each additional attendee for the same course from the same company

The above cost includes Course Syllabus, Meals,(Breakfast, Lunch and afternoon breaks) and Certificate of Completion. Payments may be made by check, invoice, Visa, MasterCard or American Express.

SEATING IS LIMITED AND OUR COURSES USUALLY SELL OUT! Therefore, we ask that you call or Email Susan Custer at susan.custer@safebridge.com FIRST to reserve a space before April 5, 2010. A registration form is attached for your use.

What You’ll Learn in Advanced Concepts to Support Drug Development of Potent Compounds from R&D through Manufacturing: SafeBridge Potent Compound Safety

“Boot Camp II”

- Data availability at each stage of the drug development process
- Containment and control, and handling guidelines for potent compounds at each scale of operation
- Problem solving using case studies in R&D and manufacturing of potent compounds
- Reviewing data obtained from occupational, non-clinical and clinical studies and industrial hygiene surveys and interpreting their applicability to case studies
- Potent compound safety issues with outsourcing as a paradigm for R&D and manufacturing of potent APIs and products
- And much more!

Who Should Attend:

- Pharmaceutical and chemical plant environmental health and safety professionals
- Pharmaceutical R&D safety coordinators
- Facility and process engineers
- Industrial hygienists
- Safety professionals
- Environmental engineers
- Pharmaceutical quality control and quality assurance personnel
- Plant managers

Cancellation and Substitution Policy

Your notice of cancellation must be received in writing (by letter, fax or Email) ten working days before the training course. All cancellations will result in a cancellation charge of 50% of the registration fee. The balance of the registration fee will be returned if the cancellation notification is received ten working days in advance of the course. No refund will be made if notification of cancellation is received beyond this time. The registration fee minus the cancellation charge may be applied to a similar training course if future course is held within 12 months of cancellation. We will be pleased to transfer your registration to another member of your company at any time. If you plan to send someone in your place, please notify us as soon as possible.

Hotel Reservations

You are responsible for your own hotel reservation. If you require hotel reservations we recommend the following hotels: Wildwood Lodge, 8511 Hudson Boulevard, Lake Elmo, MN 55042 or the Hilton Garden Inn, St. Paul/Oakdale, 420 Inwood Avenue, Oakdale, MN 55128
