

SafeBridge Consultants Announces TWO Potent Compound Safety Courses:

The original POTENT COMPOUND SAFETY “BOOT CAMP”®

And

ADVANCED CONCEPTS COURSE: “BOOT CAMP II”

16 – 18 May, 2017 – Lisbon, Portugal.

SafeBridge Consultants, Inc. is pleased to announce two training course offerings:

**1. The Potent Compound Safety “Boot Camp”® (Boot Camp I)
16 – 17 May, 2017**

A comprehensive two-day course in pharmaceutical potent compound safety with a focus on training EH&S and related professionals in critical technical concepts and proactive safety programmes in the pharmaceutical, fine chemical and biotechnology industries.

**2. Advanced Concepts to Support Drug Development of Potent Compounds from R&D through Manufacturing
SafeBridge Potent Compound Safety “Boot Camp II”
18 May, 2017**

A one-day advanced course with a focus on case studies and problem-solving to address potent compound safety issues in discovery, development, contract manufacturing and commercialisation utilising the “systematic” approach and the implementation of a comprehensive programme required to successfully support drug R&D and manufacturing organisations.

A suggested pre-requisite for the Advanced Concepts course is previous attendance at SafeBridge Potent Compound Safety “Boot Camp”® (Boot Camp I) and/or significant experience in environmental health and safety applications in the pharmaceutical industry. You may register for one or both courses.

Course Location: **Hotel Tivoli Oriente,**
Av. D. João II – Lote 1.14.03,
1990 – 083 Lisboa,
Portugal.
Tel: +351 707 020 030
Fax: +351 218 915 427
www.tivoloriente.com

Your instructors will be board-certified health professionals in industrial hygiene and toxicology with many years of experience in the pharmaceutical industry. The presentations and materials cover pharmaceutical industrial hygiene (IH), occupational toxicology, environmental toxicology, IH analytical chemistry, risk communication and elements of safety management. In previous years The American Board of Industrial Hygiene (ABIH) has awarded Certification Maintenance (CM) points to Potent Compound Safety Boot Camp® I and to the Advanced Concepts Course (Boot Camp II). In 2016, both of these courses still can be claimed for CM credit. The Boot Camp I course contains 13 hours and the Boot Camp II contains 7 hours of technical contact time. Attendees who are Members of the Institute of Occupational Hygiene (MIOH) in the UK may claim two self-certification CPD points for attending Boot Camp I and one self-certification CPD point for attending the Boot Camp II course.

Registration Fees:

Boot Camp I	£1,700 for the first attendee, and £1,600 for each additional attendee for the same course from the same company
Advanced Boot Camp II	£850 for the first attendee, and £800 for each additional attendee for the same course from the same company
Both Courses	£2,400 for the first attendee, and £2,300 for each additional attendee from the same company

The above cost includes Course Syllabus, lunch, morning and afternoon breaks and Certificate of Completion. Payments may be made by UK cheque, invoice, Visa, MasterCard or American Express.

SEATING IS LIMITED AND OUR COURSES USUALLY SELL OUT! Therefore, we ask that you call or email Helen Felton at helen.felton@safebridge.com FIRST to reserve a space. A registration form is attached for your use and consideration.

What You'll Learn in The Potent Compound Safety "Boot Camp"®

- Industry experience of potent compound over exposure incidents
- How to evaluate compound potency and toxicity
- How EH&S elements fit into the drug development process
- How to establish targets for air and surface monitoring methods
- How sampling methods should be validated
- How to plan and conduct an air monitoring study
- Engineering controls that are available and effective for pharmaceutical and chemical manufacturing
- Factors leading to worker exposure
- A systematic approach to safely handling research compounds and "unknowns"
- How to investigate incidents and communicate risk effectively
- Environmental aspects of new drug approvals
- Potent compound definitions
- And much more!

What You'll Learn in Advanced Concepts to Support Drug Development of Potent Compounds from R&D through Manufacturing: SafeBridge Potent Compound Safety "Boot Camp II"

- Data availability at each stage of the drug development process
- Containment and control, and handling guidelines for potent compounds at each scale of operation
- Problem solving using case studies in R&D and manufacturing of potent compounds
- Reviewing data obtained from occupational, non-clinical and clinical studies and occupational hygiene surveys and interpreting their applicability to case studies
- Potent compound safety issues with outsourcing as a paradigm for R&D and manufacturing of potent APIs and products
- Implementing a safety management approach in your company
- And much more!

Who Should Attend:

- Pharmaceutical and chemical plant environmental health and safety professionals
- Pharmaceutical R&D safety coordinators
- Facility and process engineers
- Occupational hygienists
- Safety professionals
- Environmental engineers
- Pharmaceutical quality control and quality assurance personnel
- Plant managers

Cancellation and Substitution Policy

Your notice of cancellation must be received in writing (by letter, fax or email) 10 working days before the training course. All cancellations will result in a cancellation charge of 50% of the registration fee. The balance of the registration fee will be returned if the cancellation notification is received 10 working days in advance of the course. No refund will be made if notification of cancellation is received beyond this time. The registration fee minus the cancellation charge may be applied to a similar training course if future course is held within 12 months of cancellation. We will be pleased to transfer your registration to another member of your company at any time. If you plan to send someone in your place, please notify us as soon as possible.

Hotel Reservations

You can reserve accommodation at the Hotel Tivoli Oriente by completing the attached Hotel Registration Form and forwarding to the hotel via email to anabela.santos@tivolihotels.com or by fax to +351 218 915 427. SafeBridge have negotiated special room rates of €135.00/night single occupancy room bed and breakfast or €145.00/night double/twin occupancy room bed and breakfast.

The cut off to receive these special rates is 15 April, 2017.

For further information or to reserve a space, please contact:
